

Alternative Energy Conference & Expo

Naming Sponsor Opportunity

The Springfield Township Area Chamber of Commerce is hosting an Alternative Energy Conference and Expo on Saturday, May 1, 2010 from 8:30 - 5:00 pm. This event will educate area businesses and community members from Summit, Medina, Stark and Portage County. FREE to the public, the event will feature exhibits, local and national guest speakers, and student demonstrations at the Springfield High School Auditorium and gymnasium.

This is the first year for this event and already we have gained a lot of interest from neighboring states and communities. We anticipate attendance to be well over 400 as social media and newspapers have already begun announcing this event. Since this is our first year, we have decided to open up the event to sponsors. We know we cannot do this on our own. Therefore, we are inviting you to join us in this endeavor to educate the community and support a more sustainable society by providing a monetary donation or a gift in kind to the Alternative Energy Conference and Expo. Financial sponsorship levels are as follows:

<u>Sponsorship Categories:</u>	<u>Donation Level:</u>
Bronze	\$50 - \$124
Silver	\$125 - \$250
Gold	\$251 - \$500
Platinum	\$501 - \$1000

Sponsors in all categories will receive name recognition as part of the Alternative Energy Conference and Expo (AEC) activities and be listed on the AEC website. Gold and Platinum level sponsors qualify to receive complimentary exhibitor space and lunch. In addition, sponsors in the Gold and Platinum levels will also have their logos featured on AEC promotional materials.

The deadline for sponsorship is April 10, 2010. However, early commitments are encouraged. The actual transfer of funds to the Springfield Township Area Chamber of Commerce account can occur anytime between now and the date of the event. Please contact Michele Holler at 330-618-5623 or holler141415@sbcglobal.net about sponsorship opportunities.

Thank you.
